

CONSTRUCTION EQUIPMENT PAINT BOOTH OPERATOR

Company Overview:

We are a well-established equipment rental company, located in Azusa, catering to the commercial construction industry. We are a small, busy, professional company that is a leader in aerial equipment, while also maintaining a fun and easy-going company culture.

Position:

We are looking for a painter to join our team! The individual we are seeking is dependable, hardworking, organized, detail-oriented, adaptable, respectful and desires to work in a team environment. You will be responsible for painting various construction equipment (**not automotive**).

Responsibilities:

- Capable of operating spray booth & other paint related equipment
- Utilize air sanders, spray guns, sanding blocks, etc. in order to complete quality work
- Move equipment into and out of spray booth
- Complete all paint preparation processes for equipment according to factory specification, including priming and masking
- Insure that all paint operations are complete, all masking is removed, and all prior paint-related disassembly has been reassembled prior to returning the equipment
- Return spray booth and mix room to pre-paint condition
- Final paint quality inspection
- Follow vendor procedures to maintain all tools and equipment, including maintenance of paint booth and booth filters and maintain a clean and organized work space.
- Perform quality inspections prior to sending equipment to the customer
- Bring shortages of supplies to the attention of the Parts Supervisor for replenishment
- Manage time by anticipating and determining equipment needs
- Participate in ongoing technical and safety training

Qualifications:

- At least 1 year painting and paint booth experience
- Must have experience working in a spray booth and painting on a variety of materials to a high standard of quality
- Ability to work independently and manage all paint booth operations
- Strong work ethic and dependability
- Excellent attention to detail, accuracy and organizational skills

Physical Requirements/Working Conditions:

Position is based in a normal shop environment. Frequent physical activity such as kneeling, bending, squatting, stooping, lifting above shoulders. Repetitive tasks involving hand and arm motion and lifting objects over 50 lbs. Must be able to push/pull parts carts and cars with assistance. Exposure to fumes, chemicals, dust, along with high levels of noise. Required to wear protective equipment. Must have manual dexterity to operate equipment. Subject to weather conditions both inside and outside.

If you are interested in this position, please complete the [Application Form](#) and email to info@skyliftequipment.com or drop off at 680 S. Ayon Ave., Azusa. If you have any questions about applying for this position or would like to schedule an interview, please call (800) 457-6616.
