

TRUCK MECHANIC

Company Overview:

We are a well-established equipment rental company, located in Azusa, catering to the commercial construction industry. We are a small, busy, professional company that is a leader in aerial equipment, while also maintaining a fun and easy-going company culture.

Position:

We are looking for a fleet mechanic to join our team! The individual we are seeking is dependable, hardworking, organized, detail-oriented, adaptable, respectful and desires to work in a team environment. You will be responsible for repairing and maintaining our fleet of delivery trucks and trailers.

Responsibilities:

- Perform major/minor truck repair, as well as preventative maintenance
- Perform routine vehicle maintenance on tractor-trailer delivery trucks
- Perform B.I.T. inspections
- Provide written and verbal service reports to Service Manager
- Manage time by anticipating and determining fleet needs
- Provide support as needed for company operations, dispatch and field personnel

Qualifications:

- At least 2 years of successful mechanical experience
- Proficiency in basic truck service
- A general understanding of schematics, diesel engines, air brake systems, etc.
- Knowledge of shop equipment
- Excellent attention to detail, accuracy and organizational skills
- Excellent and efficient mechanical troubleshooting skills
- Willingness to learn and adapt to customer needs, and do whatever it takes to get the job done
- High school education required
- Strong work ethic
